Hunting in North Dakota is some of the best in the US. We can proudly boast that 90% of the licensed hunters get their deer. With a large population of white-tail deer, it is sure to continue in its popularity. We also have a Big Game ranch located near Tolley with elk, bison, whitetail, and fallow deer for your

hunting pleasure. Our seasonal trap shooting club offers an opportunity for you to enhance your shooting skills or just have fun. If upland or waterfowl hunting is your sport, our county hosts many species of ducks, geese, turkey, partridges, and grouse. Or you may like to fish for tasty Walleye or a great Northern Pike at Lake Darling near Grano, summer and winter.
